Appointments and Financial Options

Patients with Insurance

If you have dental insurance, we will provide you with your estimated co-payment for each treatment, as well as an estimate of what your insurance will pay. However, we do not provide a 100% guaranty of insurance company payment. Each company is different, and the decision to pay is theirs. Please beware that the contract of insurance is between you and your insurance company. While we only charge what your insurance company allows, if some reason they do not pay for a specific procedure, it is important to understand that you will ultimately be responsible for the final bill. If you prefer to be 100% sure of the insurance company payment, we will be happy to send a pre-determination to them. It usually takes around 30 days for them to reply. Estimated co-payment(s) are due the day of the treatment. Our office does not bill for co-payments, or extend time payments. We will only bill the insurance company for their portion. Should you require denture(s), partial(s) or crown(s), your full co-payment will be due at the first appointment when services are started, which is the impression and when any associated lab work begins.

Statements are mailed after all insurance payments have been received. A statement is necessary if the insurance company does not cover a portion of the procedure(s) performed as estimated, or if we underestimate your co-payment. Statement balances are due 15 days after receipt, unless our office is contacted and other arrangements are made.

Patients without Insurance

For patients without insurance, full payment is due the day of treatment. Should you require denture(s), partial(s), or crown(s) your full payment will be due at the first appointment when services are started, which is the impression and when any lab work begins.

Payment Options

We accept Visa, MasterCard, American Express, Debit Cards, Cash & Personal Checks. We are pleased to offer our patients an extended monthly payment plan option through Springstone Financing. Please see front office staff for more details on how to apply for these options. There is a \$25.00 service charge for any returned personal checks.

We will require a copy of your driver's license and insurance card to insure proper identity for all patients. We reserve the right to charge for appointments cancelled or broken without 24 hours notice of \$50.00.

Our appointment information and financial options are designed to keep our fees as low as possible. Our goal is to stay competitive and offer the best quality dental care to everyone. Please help us achieve our goal by a mutual respectful relationship. We look forward to a long happy relationship with you. Please do not hesitate to ask our staff for anything that might make your visit more enjoyable.

I have read and understand the above appointment and financial options.
